IV. PUBLIC HEARING**A. REZ18-0001**

Chair Roland opened the public hearing on REZ18-0001, City-initiated Zoning Map Amendments at 7:06 PM.

Planning Manager Jeff Dixon provided an overview of REZ18-0001 the City-initiated Zoning Map Amendments.

Five parcels in two locations are part of the City-initiated rezone to implement recent Comprehensive Plan map amendments. The first group is 4 privately-owned, previously developed parcels changing from “DUC” Downtown Urban Center” to “M1, Light Industrial” to recognize and be more compatible with developed status of the properties.

The other location is a 0.98-acre city-owned park parcel located on Lea Hills and that is proposed to change from “R-20, Residential Zone 20 units to the acre to “I, Institutional” in response to recent City ownership as a developed park.

Staff reviewed maps depicting the location of the properties, zoning classification and existing land use. Staff reported that both properties were rezoned as part of the City’s Annual Comprehensive Plan amendments adopted by Ordinance No. 6667 on December 18, 2017.

In response to a question by the Commission, the Commission and staff discussed the advantages of changing the 0.98-acre city-owned park parcel from “R-20, Residential Zone 20 units to the acre to “I, Institutional”. Staff explained that the change would make it consistent with the zoning designations that applies to other parks, having its own set of land uses and zoning development standards that will be more compatible with park purposes. The “I” Institution zoning district applies regulations that are more appropriate for a property that is developed as a park than properties that are developed as multi-family residential, the current designation.

The Commission asked staff the difference between parks that are designated as “I” Institutional and those zoned: “OS, Open Space”. Staff explained, that consistent with the Commission’s discussions for the Public Hearing in October on the “Open Space” Comprehensive Plan designation the Commission determined that parks with active recreation and developed facilities would be designated as “I” Institutional compared to parks properties that are undeveloped, or only very passive recreational facilities, which would be designated at “Open Space.”

In answer to Commission Lee’s question if there had been contact with the public regarding the rezone, staff reported most of the inquires in response to

the public notice were by phone and seeking to understand what the rezone was for and if it impacted their properties. The owner of two northern properties has been supportive of this change and believes it would assist her in attracting tenants for the building.

Planning Manager Dixon stated staff is recommending approval of the zoning map amendments (rezones) under REZ18-0001 to the five parcels.

Chair Roland invited the public forward for testimony on REZ18-0001. With no public present for testimony, Chair Roland closed the public hearing at 7:28 p.m.

The Commission deliberated.

The Commission and staff discussed the “M-1, Light Industrial” and “DUC, Downtown Urban Center” zoning designations.

Commissioner Stephens moved and Commissioner Lee seconded to recommend moving REZ18-0001 to City Council for approval.

Motion approved. 7-0

V. OTHER BUSINESS

Chair Roland called for nominations for the Election of Chairperson for the City of Auburn 2018 Planning Commission.

Member Mason moved and Commissioner Stephens seconded a nomination for Commissioner Roland as Chairperson; no other Commissioners were nominated.

A vote was taken, by majority vote of Commissioners, 7-0; Commissioner Roland was elected as the Planning Commissioner Chairperson for 2018.

Chair Roland called for nominations for the Election of Vice-Chairperson for the City of Auburn 2018 Planning Commission. Chair Roland thanked the Commission for the Commission.

Member Mason moved and Commissioner Shin seconded a nomination for Commissioner Lee as Vice-Chairperson; no other Commissioners were nominated.

A vote was taken, by majority vote of Commissioners, 7-0; Commissioner Lee was elected as the Planning Commissioner Vice-Chairperson for 2018. Vice-Chairperson Lee thanked the Commission.

B. Rules and Procedures

Planning Services Manager Dixon provided an introduction of the Rules and Procedures of the Planning Commission; last revised May 2, 2017. Staff explained that for tonight, staff-proposed language was added to Section VII., ABSENCE OF MEMBERS on Pages 5 and 6 of the Rules and Procedures as indicated by the underlined text. The added two paragraphs provide language addressing the importance of regular attendance by Commission members and a provision for a requesting and approval of a leave of absence.

The Commission reviewed the proposed language and discussed the impact of a member taking a leave of absence. The Commission members mostly concurred that a leave of absence may compromise the ability to vote on matters before the Commission due to a lack of a quorum. City Attorney Heid explained that in order to conduct business and vote on matters before the Commission, a Commissioner Pro Tem could be appointed to establish a quorum. After discussing options, the Planning Commission recommended the following:

- Include the proposed language provided by staff under Section VII. ABSENCE OF MEMBERS, paragraph one, Pages five and six regarding the essential participation of the members:

“Participation in Planning Commission responsibilities is essential; not only so that a quorum can be established, but to also ensure that discussions and decision making are as representative of the community as possible. Recurring absence also diminishes a member’s ability to vote on matters discussed during prior meetings. It is therefore important for all appointed members to participate to the maximum extent possible. If a member is unable to participate on a regular basis, it may be appropriate for a member to be replaced. This section of the rules is intended to provide standards that ensure that the regular absence of one member does not become disruptive to, or impede the work of, the full Commission.”

- Remove the proposed language provided by staff under section VII. ABSENCE OF MEMBERS, Paragraph 3, Page 6 regarding a leave of absence:

“A member may request a leave of absence which must be submitted to the planning commission’s secretary who will then provide it to the Chair for consideration. The Chair shall have sole discretion to approve or deny the request. A leave of absence is limited to 4 consecutive regular meetings (as described in Section II of these rules).”

Commissioner Mason expressed her concern that the language under Section XI. CONDUCT, Paragraphs 3 and 4 does not clearly address the enforcement of the rules relating to order and decorum by members of the public in attendance and the removal of disruptive individuals or parties.

The Commission discussed switching the order of Paragraphs 3 and 4 so that it the steps would be clearer. The Commission also suggested adding language to

provide the Chair the discretion of removing a disruptive audience member or members, and that the request would be through the Chair.

City Attorney Heid cautioned that there have been recent court rulings that seek to balance free speech and disruptive behavior by attendees at open public meetings. He offered to research and provide court case information that addresses conduct, which would assist the Commission as they review and consider revising the language. He recommended that the issue would be most appropriately addressed in the City Code Section 2.45, PLANNING COMMISSION. The Commission asked City Attorney Heid to provide that information for a future discussion on this section. The Commission and staff continued to discuss options for conduct by attendees.

A Commissioner remarked he thought there was a provision about reviewing the proceedings for previous meetings that members were not able to attend. The Commission reviewed the language under Section XII. CONFLICT OF INTEREST, Subsection 2. Appearance of Fairness, the second to the last paragraph on Pages 11 and 12, "No member may participate in any decision of the member had not reviewed the staff reports and testimony presented at the hearing on the matter. Such member may, however, listen to the recording of the hearing in order to satisfy this requirement". The Commission thought this section was not a good fit for this Section of the document and asked staff to bring back ideas where the language could be moved in the Rules and Procedures for more clarity.

Commissioner Mason moved and Commissioner Lee seconded to adopt the Planning Commission Rules and Procedures previously adopted May 2, 2017 with the following staff proposed additions:

- Section VII. ABSENCE OF MEMBERS, Paragraph 1, Pages 5 and 6:

"Participation in Planning Commission responsibilities is essential; not only so that a quorum can be established, but to also ensure that discussions and decision making are as representative of the community as possible. Recurring absence also diminishes a member's ability to vote on matters discussed during prior meetings. It is therefore important for all appointed members to participate to the maximum extent possible. If a member is unable to participate on a regular basis, it may be appropriate for a member to be replaced. This section of the rules is intended to provide standards that ensure that the regular absence of one member does not become disruptive to, or impede the work of, the full Commission."
- Remove the proposed language provided by staff under Section VII. ABSENCE OF MEMBERS, Paragraph 3, Page 6:

"A member may request a leave of absence which must be submitted to the planning commission's secretary who will then provide it to the Chair for consideration. The Chair shall have sole discretion to approve or deny the request. A leave of absence is limited to 4 consecutive regular meetings (as described in Section II of these rules)."

Motion approved 6-1. Commissioner Smith voted no.

Staff will bring back the Rules and Procedures for additional discussion at a future meeting.

VI. COMMUNITY DEVELOPMENT REPORT

Planning Services Manager Dixon distributed a handout, which is a summary of the required periodic update of the Shoreline Management Program. He explained that the State of Washington Department of Ecology is requiring a review and, if appropriate, an update of the city's Shoreline Master Program. The evaluation of the Shoreline program is to make sure it is consistent to any changes that have been made under state law. The review and any proposed updates need to be completed by mid, 2019. The city and the State of Washington Department of Ecology share responsibility for the Shoreline program and the local program must be approved by the state. Along with the Shoreline Master Program, the City Floodplain Regulations would be reviewed for updates since the regulations are interrelated and apply in many of the same locations and thus require coordination.

Since both of the updates are development regulations, staff will be bringing them before the Planning Commission for review and public hearing. Staff expects to share with the Commission in the future a work program and schedule.

Planning Services Manager Dixon explained that the Director of Community Development and Public Works, Kevin Snyder, submitted his resignation. Kevin will be joining the City of Fairfield, California as the Director of Community Development.

Staff discussed the Promenade Apartments in the Lea Hill area. Staff reported they have received their first Certificate of Occupancy for this Mixed Use project. Residents will be moving in to the apartment buildings. The commercial component of the project is proposed to be occupied by a YMCA daycare.

The Commission asked about the status of the fire damaged Heritage Building located in downtown. Staff reported the insurance investigation is ongoing.

The Commission asked whether there was a new tenant for the former Sam's Club space at the Outlet Collection mall. Staff reported that none is known.

The next meeting will be held March 6, 2018.

VII. ADJOURNMENT

There being no further business to come before the Planning Commission, Chair Roland adjourned the meeting at 8:22 p.m.

Administrative Recommendation:**Background Summary:**

At their February 6, 2018 regular meeting, the Planning Commission reviewed and discussed some staff-proposed modifications to the 'Planning Commission Rules of Procedure' document. The Rules of Procedure are typically reviewed each year at the time of election of officers, but Section XIII., 'Amendment' provides that they may be amended at any regular meeting.

Staff had recommended the Planning Commission consider adding language to Section VII, 'Absence of Members', that further defines the importance of regular attendance and that creates an allowance of a member to request a leave of absence. Staff had proposed a new paragraph at the beginning of this section on the importance of participation and a new paragraph at the end of this section providing for a leave of absence. The Planning Commission decided to reject the paragraph about the leave of absence and retain the paragraph on the importance of regular attendance.

As identified in the minutes of the February 6, 2018 meeting, there was discussion about Section XI, 'Conduct', and whether existing provisions were strong enough regarding disruptive behavior by audience members. Specifically, there was discussion about Subsections 3 and 4 of this section. The City Attorney acknowledged that he understood the concern, but cautioned that there have been some recent court decisions that address a balance between free speech and disruptive behavior by attendees at open public meetings. The City Attorney offered to research and provide information that addresses attendee conduct that would assist the Commission as they review and consider further revising the language.

In addition, the Commission discussed the provision under Section XII., "Conflict of Interest", and Subsection 2. 'Appearance of Fairness' and whether the provision here for a Commissioner to listen to the recording of the hearing in order to participate in decision making, should be moved to a different section of the document. The Commission asked for ideas where the language could be moved for better clarity.

Recognizing that they could subsequently amend the document, the Commission decided to

only vote on changes to Section VII, 'Absence of Members'.

2. Quasi-judicial actions of the Planning Commission are those actions which determine the legal rights, duties, or privileges of specific parties in a hearing or other contested case proceeding. Quasi-judicial actions include actions that would otherwise be administrative or legislative if applied more widely or city-wide, rather than affecting one or a small number of persons or properties. Quasi-judicial actions do not include the legislative actions adopting, amending, or revising comprehensive, community, or neighborhood plans or other land use planning documents or the adoption of area-wide zoning ordinances or the adoption of a zoning amendment that is of general or area-wide significance.
3. Organizational actions are those actions related to the organization and operation of the Commission. Such actions include adoption of rules, directions to staff, approval of reports, election of officers, etc.

- D. If any member of the Planning Commission wishes to abstain, or has disclosed a conflict of interest and must abstain from a vote on the motion, that member shall so advise the Chair and, if there is no objection to the abstention, shall physically remove and absent himself/herself from the meeting/hearing, all deliberations, and considerations of the motion, and shall have no further participation in the matter. Such advice shall be given prior to any discussion or participation on the subject matter or as soon thereafter as the member perceives a need to abstain, provided that, prior to the time that a member gives advice of an intent to abstain from an issue, the member shall confer with the City Attorney to determine if the basis for the member's intended abstention conforms to the requirements hereof.

If the intended abstention can be anticipated in advance, the conference with the City Attorney should occur prior to the meeting at which the subject matter would be coming before the Planning Commission. If that cannot be done, the member should advise the Chair that he/she has an "abstention question" that he/she would want to review with the City Attorney, in which case, a brief recess would be afforded the member for that purpose before proceeding further.
- E. If a tie vote exists, after recording the Chair's vote, the motion fails. However, a motion for denial that fails on a tie vote shall not be considered an approval.

10. Continuing an Item:

If the Commission wishes to continue a public hearing item, the Chair should open the public hearing, solicit testimony, and request a motion from the Commission to continue the public hearing item to a time, place, and date certain. If any matter is tabled or postponed without establishing a date, time, and place certain, the matter shall be scheduled for a hearing pursuant to Auburn City Code (ACC) Section 18.68.040 before the matter may be considered again.

11. Findings of Fact:

The Commission should adopt findings of fact and conclusions for actions taken involving public hearing items. The findings and conclusions may be approved by any one of the following methods:

- A. The Commission may adopt in whole, in part, or with amendments, the written findings prepared by staff. Motions to approve the staff recommendations shall be deemed to incorporate such findings and conclusions unless otherwise indicated. Such findings and conclusions do not have to be read in order to be deemed a part of the record.
- B. The motion to take action may adopt oral finding statements made by Commission members or staff during the hearing or deliberation.
- C. The motion to take an action may direct that additional written findings and conclusions be developed based on the hearing and deliberation of the Commission.
- D. Findings and conclusions may be approved or amended at any time by the Planning Commission, but all such actions shall be based on the record of the matter at hand.

12. Order of Hearings:

Normally the order of hearings shall be as published in the agenda. However, the Chair in order to avoid unnecessary inconvenience to people wishing to testify, or the late arrival of a proponent, may change the order as may be necessary to facilitate the meeting. If the proponent does not appear at the public hearing, the Planning Commission may continue the public hearing until the next meeting in order to ensure adequate consideration of the proposal. However, in such case the Chair shall take whatever testimony that may be given before accepting a motion to continue pursuant to Section (8).

XI. CONDUCT:

- 1. These rules are intended to promote an orderly system of holding a public meeting and hearing, to give persons an opportunity to be heard and to ensure that individuals are not embarrassed by exercising their right of free speech.

XII. CONFLICT OF INTEREST:

1. Any member of the Commission who in his or her opinion has an interest in any matter before the Commission that would tend to prejudice his or her actions shall publicly indicate, step down and leave the meeting room until the matter is disposed. A member need only be excused from legislative or organizational action if the potential conflict of interest is direct and substantial.
 - A. No member of the Planning Commission may use his or her position to secure special privileges or exemptions for himself, herself, or others.
 - B. No member of the Planning Commission may, directly or indirectly, give or receive or agree to receive any compensation, gift, reward, or gratuity from a source except the employing municipality, for a matter connected with or related to the officer's services as such an officer unless otherwise provided for by law.
 - C. No member of the Planning Commission may accept employment or engage in business or professional activity that the officer might reasonably expect would require or induce him or her by reason of his or her official position to disclose confidential information acquired by reason of his or her official position.
 - D. No member of the Planning Commission may disclose confidential information gained by reason of the officer's position, nor may the officer otherwise use such information for his or her personal gain or benefit.
 - E. No member of the Planning Commission may take any action that is prohibited by Chapter 42.23 RCW or any other statutes identifying conflicts of interest.

2. Appearance of Fairness:

Commission members shall strive to follow, in good faith, the Appearance of Fairness Doctrine as established under Washington State Law as it applies to quasi-judicial decisions (RCW 42.36) even for legislative actions before the Commission. The doctrine includes but is not limited to the following:

- A. Members shall avoid communicating in respect to any proposal with any interested parties, other than staff, outside of public hearings. Written communication from an interested party to a member may be permitted provided that such communication is made part of the record.

If any concern relating to Items 1 through 4 should arise, the affected member shall declare at the start of the public hearing on the matter, the extent of such concern and whether the member's decision has been influenced. If the member has been influenced, or if the extent of the concern is significant, the member shall be excused by the Chair from the meeting room and his vote recorded as an abstention.

If, under these rules, a quorum would be excused from the meeting, the Chair in order to establish a quorum, shall under the rule of necessity, permit sufficient members (beginning with those who are least affected by these rules) to participate in the decision.

No member may participate in any decision if the member had not reviewed the staff reports and testimony presented at the hearing on the matter. Such member may, however, listen to the recording of the hearing in order to satisfy this requirement.

These rules are intended to be consistent with RCW 42.36. In the case of any conflict, RCW 42.36 or applicable case law shall govern.

XIII. AMENDMENT:

The Rules of Procedure may be amended at any regular meeting of the Commission by a majority vote of the entire membership. The proposed amendment should be presented in writing at a preceding regular meeting.
