Re: Ordinance #6815 – 2021-2022 Budget Amendment #1

Budget Amendment #1 is the first amendment of the City of Auburn's 2021-2022 biennial budget. For details on specific requests to amend the 2021 budget, please refer to the accompanying ***Schedule A, Summary of 2021 Budget Adjustments by Fund***.

The main purpose of the first budget amendment of the year is to carry forward remaining 2020 budget authority for identified programs and costs that were budgeted in 2020 but not completed. The requested unspent budget authority from 2020 to be carried forward into the 2021 budget year for all funds is \$493,500.

Additional items included in this amendment are requests to change FTE counts, accept and expend new grants, change budget authority, fund costs not anticipated in the 2021 budget, and transfer dollars among funds to enable certain amendments.

Full-Time Equivalents (FTEs): This amendment changes the status for the Multimedia Assistant position, increasing the position from 0.60 to 0.75 FTEs. No additional budget is required for this change.

Carry forward of unspent expenditure spending authority from 2020: This amendment enables the completion of various contracts in 2021 by carrying forward unspent resources at the end of 2020. Note that carry forwards in capital funds are not included in this budget amendment due to the adoption of multi-year capital budget, as approved in Ordinance No. 6682. Totals requested to be carried forward by fund are:

| | |
|---|----------------|
| • General Fund (Fund 001) | \$ 192,500 |
| • Drug Forfeiture Fund (Fund 117) | 10,000 |
| • Capital Improvements Fund (Fund 328) | 150,000 |
| • Innovation & Technology Fund (Fund 518) | <u>141,000</u> |
| TOTAL | \$ 493,500 |

Grants: New grants and carry-forwards of existing grants in this budget amendment total \$1,097,000 and include:

| | |
|---|---------------|
| • General Fund (Fund 001) | \$ 114,900 |
| • Housing & Community Development Fund (Fund 119) | 952,100 |
| • Capital Improvements Fund (Fund 328) | <u>30,000</u> |
| TOTAL | \$ 1,097,000 |

Expenditure Funding Adjustments: Expenditure funding adjustment requests included in this budget amendment revise the spending authority for existing programs. Total expenditure funding adjustment requests equal \$535,000, and include:

- Increase budget for the Diversity, Equity and Inclusion (DEI) program: This amendment increases 2021 estimated expenditures by \$150,000 to hire a consultant to provide anti-racism, anti-bias, diversity, equity, and inclusion training for City staff.
- Increase budget to repair/replace a portion of the Community Center parking lot: This amendment increases the budget for this project. An updated engineer's estimate indicates the project will cost an additional \$100,000 as the pervious concrete has failed in many areas due to weather and heavy use.
- Increase budget for signal systems repair and maintenance: This amendment adds \$75,000 in budget due to large signal pole repairs caused by two recent accidents. The increased budget will cover the repairs and restore our maintenance budget and will be offset by increased insurance recovery revenues from WCIA.

New Funding Requests: Requests for new funding included in this budget amendment add spending authority for new programs and unexpected expenditures. Total new funding requests equal \$2,683,200, and include:

- Accelerate budget for the lead service line replacement project from 2022 to 2021 (bond-funded) \$ 1,600,000
- Remit fire impact fees to VRFA for new aerial apparatus at Station 13 475,000
