

ORDINANCE NO. 6452

**AN ORDINANCE OF THE CITY COUNCIL OF THE
CITY OF AUBURN, WASHINGTON, GRANTING TO
ZAYO GROUP, LLC, A DELAWARE LIMITED
LIABILITY COMPANY, A FRANCHISE FOR A
TELECOMMUNICATIONS SYSTEM**

WHEREAS, Zayo Group, LLC, ("Grantee") has applied to the City of Auburn ("City") for a non-exclusive Franchise for the right of entry, use, and occupation of certain public right(s)-of-way within the City, expressly to install, construct, erect, operate, maintain, repair, relocate and remove its facilities in, on, over, under, along and/or across those right(s)-of-way; and

WHEREAS, following proper notice, the City Council held a public hearing on March 18, 2013, on Grantee's request for a Franchise, at which time representatives of Grantee and interested citizens were heard in a full public proceeding affording opportunity for comment by any and all persons desiring to be heard; and

WHEREAS, from information presented at such public hearing, and from facts and circumstances developed or discovered through independent study and investigation, the City Council now deems it appropriate and in the best interest of the City and its inhabitants that the franchise be granted to Grantee,

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF AUBURN WASHINGTON, DO ORDAIN as follows:

Section 1. Grant of Right to Use Franchise Area

A. Subject to the terms and conditions stated herein, the City grants to the Grantee general permission to enter, use, and occupy the right(s)-of-way and/or other public property specified in Exhibit "A," attached hereto and incorporated by reference (the "Franchise Area").

B. The Grantee is authorized to install, remove, construct, erect, operate, maintain, relocate and repair the types of facilities specified in Exhibit "B," attached hereto and incorporated by reference, and all necessary appurtenances thereto, ("Grantee Facilities") for provision of those services set forth in Exhibit "C" ("Grantee Services") in, along, under and across the Franchise Area.

C. This Franchise does not authorize the use of the Franchise Area for any facilities or services other than Grantee Facilities and Grantee Services, and it extends no rights or privilege relative to any facilities or services of any type, including Grantee Facilities and Grantee Services, on public or private property elsewhere within the City.

D. This Franchise is non-exclusive and does not prohibit the City from entering into other agreements, including Franchises, impacting the Franchise Area, unless the City determines that entering into such agreements interferes with Grantee's right set forth herein.

E. Except as explicitly set forth herein, this Franchise does not waive any rights that the City has or may hereafter acquire with respect to the Franchise Area or any other City roads, rights-of-way, property, or any portions thereof. This Franchise shall be subject to the power of eminent domain, and in any proceeding under eminent domain, the Grantee acknowledges its use of the Franchise Area shall have no value.

F. The City reserves the right to change, regrade, relocate, abandon, or vacate any right-of-way within the Franchise Area. If, at any time during the term of this Franchise, the City vacates any portion of the Franchise Area containing Grantee Facilities, the City shall reserve an easement for public utilities within that vacated portion, pursuant to RCW 35.79.030, within which the Grantee may continue to operate any existing Grantee Facilities under the terms of this Franchise for the remaining period set forth under Section 3.

G. The Grantee agrees that its use of Franchise Area shall at all times be subordinated to and subject to the City and the public's need for municipal infrastructure, travel, and access to the Franchise Area, except as may be otherwise required by law.

Section 3. Term of Agreement

A. This Franchise shall run for a period of five (5) years, from the date of execution specified in Section 5.

B. **Renewal Option of Term:** The Grantee may renew this Franchise for an additional five (5) year period upon submission and approval of the application specified under ACC 20.06.130, as it now exists or is amended, within the timeframe set forth therein (currently 240 to 180 days prior to expiration of the then-current term). Any materials submitted by the Grantee for a previous application may be considered by the City in reviewing a current application, and the Grantee shall only submit those materials deemed necessary by the City to address changes in the Grantee Facilities or Grantee Services, or to reflect specific reporting periods mandated by the ACC.

C. **Failure to Renew Franchise – Automatic Extension.** If the Parties fail to formally renew this Franchise prior to the expiration of its term or any extension thereof, the Franchise automatically continues month to month until renewed or either party gives written notice at least one hundred and eighty (180) days in advance of intent not to renew the Franchise.

Section 4. Definitions

For the purpose of this agreement:

"ACC" means the Auburn City Code.

"Emergency" means a condition of imminent danger to the health, safety and welfare of persons or property located within the City including, without limitation, damage to persons or property from natural consequences, such as storms, earthquakes, riots, acts of terrorism or wars.

"Maintenance or Maintain" shall mean examining, testing, inspecting, repairing, maintaining and replacing the existing Grantee Facilities or any part thereof as required and necessary for safe operation.

"Relocation" means permanent movement of Grantee facilities required by the City, and not temporary or incidental movement of such facilities, or other revisions Grantee would accomplish and charge to third parties without regard to municipal request.

"Rights-of-Way" means the surface and the space above and below streets, roadways, highways, avenues, courts, lanes, alleys, sidewalks, easements, rights-of-ways and similar public properties and areas.

Section 5. Acceptance of Franchise

A. This Franchise, and any rights granted hereunder, shall not become effective for any purpose unless and until Grantee files with the City Clerk (1) the Statement of Acceptance, attached hereto as Exhibit "D," and incorporated by reference, (2) all verifications of insurance coverage specified under Section 15, and (3) the financial guarantees specified in Section 16 (collectively, "Franchise Acceptance"). The date that such Franchise Acceptance is filed with the City Clerk shall be the effective date of this Franchise.

B. Should the Grantee fail to file the Franchise Acceptance with the City Clerk within 30 days after the effective date of the ordinance approving the Franchise, the City's grant of the Franchise will be null and void.

Section 6. Construction and Maintenance

A. The Grantee shall apply for, obtain, and comply with the terms of all permits required under ACC Chapter 12.24 for any work done upon Grantee

Facilities. Grantee shall comply with all applicable City, State, and Federal codes, rules, regulations, and orders in undertaking such work, which shall be done in a thorough and proficient manner.

B. Grantee agrees to coordinate its activities with the City and all other utilities located within the public right-of-way within which Grantee is under taking its activity.

C. The City expressly reserves the right to prescribe how and where Grantee Facilities shall be installed within the public right-of-way and may from time to time, pursuant to the applicable sections of this Franchise, require the removal, relocation and/or replacement thereof in the public interest and safety at the expense of the Grantee.

D. Before commencing any work within the public right-of-way, the Grantee shall comply with the One Number Locator provisions of RCW Chapter 19.122 to identify existing utility infrastructure.

E. Tree Trimming. Upon prior written approval of the City and in accordance with City ordinances, Grantee shall have the authority to reasonably trim trees upon and overhanging streets, public rights-of-way, and places in the Franchise Area so as to prevent the branches of such trees from coming in physical contact with the Grantee Facilities. Grantee shall be responsible for debris removal from such activities. If such debris is not removed within twenty-four (24) hours of completion of the trimming, the City may, at its sole discretion, remove such debris and charge Grantee for the cost thereof. This section does not, in any instance, grant automatic authority to clear vegetation for purposes of providing a clear path for radio signals. Any such general vegetation clearing will require a land clearing permit.

Section 7. Repair and Emergency Work

In the event of an emergency, the Grantee may commence such repair and emergency response work as required under the circumstances, provided that the Grantee shall notify the City Construction Manager in writing as promptly as possible, before such repair or emergency work commences, or as soon thereafter as possible, if advance notice is not practical. The City may act, at any time, without prior written notice in the case of emergency, but shall notify the Grantee in writing as promptly as possible under the circumstances.

Section 8. Damages to City and Third-Party Property

Grantee agrees that if any of its actions under this Franchise impairs or damages any City property, survey monument, or property owned by a third-party, Grantee will restore, at its own cost and expense, said property to a safe condition. Such repair work shall be performed and completed to the satisfaction of the City Engineer.

Section 9. Location Preference

A. Any structure, equipment, appurtenance or tangible property of a utility, other than the Grantee's, which was installed, constructed, completed or in place prior in time to Grantee's application for a permit to construct or repair Grantee Facilities under this Franchise shall have preference as to positioning and location with respect to the Grantee Facilities. However, to the extent that the Grantee Facilities are completed and installed prior to another utility's submittal of a permit for new or additional structures, equipment, appurtenances or tangible property, then the Grantee Facilities shall have priority. These rules governing preference shall continue in the event of the necessity of relocating or changing the grade of any City road or right-of-way. A relocating utility shall not necessitate the relocation of another utility that otherwise would not require relocation. This Section shall not apply to any City facilities or utilities that may in the future require the relocation of Grantee Facilities. Such relocations shall be governed by Section 11.

B. Grantee shall maintain a minimum underground horizontal separation of five (5) feet from City water, sanitary sewer and storm sewer facilities and ten (10) feet from above-ground City water facilities; provided, that for development of new areas, the City, in consultation with Grantee and other utility purveyors or authorized users of the Public Way, will develop guidelines and procedures for determining specific utility locations.

Section 10. Grantee Information

A. Grantee agrees to supply, at no cost to the City, any information reasonably requested of the City Engineering Aide to coordinate municipal functions with Grantee's activities and fulfill any municipal obligations under state law. Said information shall include, at a minimum, as-built drawings of Grantee Facilities, installation inventory, and maps and plans showing the location of existing or planned facilities within the City. Said information may be requested either in hard copy or electronic format, compatible with the City's data base system, as now or hereinafter existing, including the City's geographic information Service (GIS) data base. Grantee shall keep the City Right-of-Way

Manager informed of its long-range plans for coordination with the City's long-range plans.

B. The parties understand that Washington law limits the ability of the City to shield from public disclosure any information given to the City. Accordingly, the City agrees to notify the Grantee of requests for public records related to the Grantee, and to give the Grantee a reasonable amount of time to obtain an injunction to prohibit the City's release of records.

Grantee shall indemnify and hold harmless the City for any loss or liability for fines, penalties, and costs (including attorneys fees) imposed on the City because of non-disclosures requested by Grantee under Washington's open public recordsact, provided the City has notified Grantee of the pending request.

Section 11. Relocation of Grantee Facilities

A. Except as otherwise so required by law, Grantee agrees to relocate, remove, or reroute its facilities as ordered by the City Engineer at no expense or liability to the City, except as may be required by RCW Chapter 35.99. Pursuant to the provisions of Section 14, Grantee agrees to protect and save harmless the City from any customer or third-party claims for service interruption or other losses in connection with any such change, relocation, abandonment, or vacation of the Pubic Way.

B. If a readjustment or relocation of the Grantee Facilities is necessitated by a request from a party other than the City, that party shall pay the Grantee the actual costs thereof.

Section 12. Abandonment and or Removal of Grantee Facilities

A. Within one hundred and eighty days (180) of Grantee's permanent cessation of use of the Grantee Facilities, or any portion thereof, the Grantee shall, at the City's discretion, either abandon in place or remove the affected facilities.

B. The parties expressly agree that this Section shall survive the expiration, revocation or termination of this Franchise.

Section 13. Undergrounding

A. The parties agree that this Franchise does not limit the City's authority under federal law, state law, or local ordinance, to require the undergrounding of utilities.

B. Whenever the City requires the undergrounding of aerial utilities in the Franchise Area, the Grantee shall underground the Grantee Facilities in the manner specified by the City Engineer at no expense or liability to the City, except as may be required by RCW Chapter 35.99. Where other utilities are present and involved in the undergrounding project, Grantee shall only be required to pay its fair share of common costs borne by all utilities, in addition to the costs specifically attributable to the undergrounding of Grantee Facilities. Common costs shall include necessary costs for common trenching and utility vaults. Fair share shall be determined in comparison to the total number and size of all other utility facilities being undergrounded.

Section 14. Indemnification and Hold Harmless

A. The Grantee shall defend, indemnify, and hold the City and its officers, officials, agents, employees, and volunteers harmless from any and all costs, claims, injuries, damages, losses, suits, or liabilities of any nature including attorneys' fees arising out of or in connection with the Grantee's performance under this Franchise, except to the extent such costs, claims, injuries, damages, losses, suits, or liabilities are caused by the negligence of the City.

B. The Grantee shall hold the City harmless from any liability arising out of or in connection with any damage or loss to the Grantee Facilities caused by maintenance and/or construction work performed by, or on behalf of, the City within the Franchise Area or any other City road, right-of-way, or other property, except to the extent any such damage or loss is directly caused by the negligence of the City, or its agent performing such work.

C. The Grantee acknowledges that neither the City nor any other public agency with responsibility for fire fighting, emergency rescue, public safety or similar duties within the City has the capability to provide trench, close trench or confined space rescue. The Grantee, and its agents, assigns, successors, or contractors, shall make such arrangements as Grantee deems fit for the provision of such services. The Grantee shall hold the City harmless from any liability arising out of or in connection with any damage or loss to the Grantee for the City's failure or inability to provide such services, and, pursuant to the terms of Section 14(A), the Grantee shall indemnify the City against any and all third-party costs, claims, injuries, damages, losses, suits, or liabilities based on the City's failure or inability to provide such services.

D. Acceptance by the City of any work performed by the Grantee shall not be grounds for avoidance of this section.

E. It is further specifically and expressly understood that the indemnification provided herein constitutes the Grantee's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

Section 15. Insurance

A. The Grantee shall procure and maintain for the duration of this Franchise, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work hereunder by the Grantee, its agents, representatives, or employees in the amounts and types set forth below:

1. Automobile Liability insurance covering all owned, non-owned, hired, and leased vehicles with a minimum combined single limit for bodily injury and property damage of \$1,000,000.00 per accident. Coverage shall be written on Insurance Services Office (ISO) form CA 00 01 or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage.

2. Commercial General Liability insurance with limits no less than \$1,000,000.00 each occurrence, \$2,000,000.00 general aggregate and a \$2,000,000.00 products-completed operations aggregate limit. Coverage shall be written on ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, independent contractors, products-completed operations, stop gap liability, and personal injury and advertising injury and liability assumed under an insured contract. The Commercial General Liability insurance shall be endorsed to provide the Aggregate Per Project Endorsement ISO form CG 25 03 11 85. There shall be no endorsement or modification of the Commercial General Liability insurance for liability arising from explosion, collapse, or underground property damage. The City shall be named as an additional insured under the Grantee's Commercial General Liability insurance policy with respect to the work performed under this Franchise using ISO Additional Insured Endorsement CG 20 10 10 01 and Additional Insured-Completed Operations

endorsement CG 20 37 10 01 or substitute endorsements providing equivalent coverage.

3. Professional Liability insurance with limits no less than \$1,000,000.00 per claim for all professional employed or retained Grantee to perform services under this Franchise.

4. Workers' Compensation coverage as required by the Industrial Insurance laws of the State of Washington.

B. The insurance policies are to contain, or be endorsed to contain, the following provisions for Automobile Liability, Professional Liability, and Commercial General Liability insurance:

1. The Grantee's insurance coverage shall be primary insurance as respects the City. Any insurance, self-insurance, or insurance pool coverage maintained by the City shall be in excess of the Grantee's insurance and shall not contribute with it.

2. The Grantee's insurance shall be endorsed to state that coverage shall not be cancelled by either party except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

C. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII.

D. Verification of Coverage. Grantee shall furnish the City with documentation of insurer's A.M. Best rating and with original certificates and a copy of amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the Consultant before commencement of the work.

E. Grantee shall have the right to self-insure any or all of the above-required insurance. Any such self insurance is subject to approval by the City.

F. Grantee's maintenance of insurance as required by this Franchise shall not be construed to limit the liability of Grantee to the coverage provided by such insurance, or otherwise limit the City's recourse to any remedy to which the City is otherwise entitled at law or in equity.

Section 16. Performance Security

The Grantee shall provide the City with a financial guarantee in the amount of Fifty Thousand Dollars (\$50,000.00) running for, or renewable for, the term of this Franchise, in a form and substance acceptable to the City. In the event Grantee shall fail to substantially comply with any one or more of the provisions of this Franchise, then there shall be recovered jointly and severally from the principal and any surety of such financial guarantee any damages suffered by City as a result thereof, including but not limited to staff time, material and equipment costs, compensation or indemnification of third parties, and the cost of removal or abandonment of facilities hereinabove described. Grantee specifically agrees that its failure to comply with the terms of Section 19 shall constitute damage to the City in the monetary amount set forth therein. Such a financial guarantee shall not be construed to limit the Grantee's liability to the guarantee amount, or otherwise limit the City's recourse to any remedy to which the City is otherwise entitled at law or in equity.

Section 17. Successors and Assignees

A. All the provisions, conditions, regulations and requirements herein contained shall be binding upon the successors, assigns of, and independent contractors of the Grantee, and all rights and privileges, as well as all obligations and liabilities of the Grantee shall inure to its successors, assignees and contractors equally as if they were specifically mentioned herein wherever the Grantee is mentioned.

B. This Franchise shall not be leased, assigned or otherwise alienated without the express prior consent of the City by ordinance; Provided, that prior consent for an assignment to Grantee's affiliates may be granted administratively.

C. Grantee and any proposed assignee or transferee shall provide and certify the following to the City not less than sixty (60) days prior to the proposed date of transfer: (a) Complete information setting forth the nature, term and conditions of the proposed assignment or transfer; (b) All information required by the City of an applicant for a Franchise with respect to the proposed assignee or transferee; and, (c) An application fee which shall be set by the City, plus any other costs actually and reasonably incurred by the City in processing, and investigating the proposed assignment or transfer.

D. Prior to the City's consideration of a request by Grantee to consent to a Franchise assignment or transfer, the proposed Assignee or Transferee shall file with the City a written promise to unconditionally accept all terms of the

Franchise, effective upon such transfer or assignment of the Franchise. The City is under no obligation to undertake any investigation of the transferor's state of compliance and failure of the City to insist on full compliance prior to transfer does not waive any right to insist on full compliance thereafter.

Section 18. Dispute Resolution

A. In the event of a dispute between the City and the Grantee arising by reason of this Agreement, the dispute shall first be referred to the operational officers or representatives designated by Grantor and Grantee to have oversight over the administration of this Agreement. The officers or representatives shall meet within thirty (30) calendar days of either party's request for a meeting, whichever request is first, and the parties shall make a good faith effort to achieve a resolution of the dispute.

B. If the parties fail to achieve a resolution of the dispute in this manner, either party may then pursue any available judicial remedies. This Franchise shall be governed by and construed in accordance with the laws of the State of Washington. In the event any suit, arbitration, or other proceeding is instituted to enforce any term of this Agreement, the parties specifically understand and agree that venue shall be exclusively in King County, Washington. The prevailing party in any such action shall be entitled to its attorneys' fees and costs of suit, which shall be fixed by the judge hearing the case, and such fees shall be included in the judgment.

Section 19. Enforcement and Remedies

A. If the Grantee shall willfully violate, or fail to comply with any of the provisions of this Franchise through willful or unreasonable negligence, or should it fail to heed or comply with any notice given to Grantee under the provisions of this agreement, the City may, at its discretion, provide Grantee with written notice to cure the breach within thirty (30) days of notification. If the City determines the breach cannot be cured within thirty days, the City may specify a longer cure period, and condition the extension of time on Grantee's submittal of a plan to cure the breach within the specified period, commencement of work within the original thirty day cure period, and diligent prosecution of the work to completion. If the breach is not cured within the specified time, or the Grantee does not comply with the specified conditions, the City may, at its discretion, either (1) revoke the Franchise with no further notification, or (2) claim damages of Two Hundred Fifty Dollars (\$250.00) per day against the financial guarantee set forth in Section 16 for every day after the expiration of the cure period that the breach is not cured.

B. Should the City determine that Grantee is acting beyond the scope of permission granted herein for Grantee Facilities and Grantee Services, the City reserves the right to cancel this Franchise and require the Grantee to apply for, obtain, and comply with all applicable City permits, franchises, or other City permissions for such actions, and if the Grantee's actions are not allowed under applicable federal and state or City laws, to compel Grantee to cease such actions.

Section 20. Compliance with Laws and Regulations

A. This Franchise is subject to, and the Grantee shall comply with all applicable federal and state or City laws, regulations and policies (including all applicable elements of the City's comprehensive plan), in conformance with federal laws and regulations, affecting performance under this Franchise. Furthermore, notwithstanding any other terms of this agreement appearing to the contrary, the Grantee shall be subject to the police power of the City to adopt and enforce general ordinances necessary to protect the safety and welfare of the general public in relation to the rights granted in the Franchise Area.

B. The City reserves the right at any time to amend this Franchise to conform to any hereafter enacted, amended, or adopted federal or state statute or regulation relating to the public health, safety, and welfare, or relating to roadway regulation, or a City Ordinance enacted pursuant to such federal or state statute or regulation upon providing Grantee with thirty (30) days written notice of its action setting forth the full text of the amendment and identifying the statute, regulation, or ordinance requiring the amendment. Said amendment shall become automatically effective upon expiration of the notice period unless, before expiration of that period, the Grantee makes a written call for negotiations over the terms of the amendment. If the parties do not reach agreement as to the terms of the amendment within thirty (30) days of the call for negotiations, the City may enact the proposed amendment, by incorporating the Grantee's concerns to the maximum extent the City deems possible.

C. The City may terminate this Franchise upon thirty (30) days written notice to the Grantee, if the Grantee fails to comply with such amendment or modification.

Section 21. License, Tax and Other Charges

This Franchise shall not exempt the Grantee from any future license, tax, or charge which the City may hereinafter adopt pursuant to authority granted to it

under state or federal law for revenue or as reimbursement for use and occupancy of the Franchise Area.

Section 22. Consequential Damages Limitation

Notwithstanding any other provision of this Agreement, in no event shall either party be liable for any special, incidental, indirect, punitive, reliance, consequential or similar damages.

Section 23. Severability

If any portion of this Franchise is deemed invalid, the remainder portions shall remain in effect.

Section 24. Titles

The section titles used herein are for reference only and should not be used for the purpose of interpreting this Franchise.

Section 25. Implementation.

The Mayor is hereby authorized to implement such administrative procedures as may be necessary to carry out the directions of this legislation.

Section 26. Effective date.

This Ordinance shall take effect and be in force five days from and after its passage, approval and publication as provided by law.
