B. Franchisee agrees to coordinate its activities with the City and all other utilities located within the public way within which Franchisee is undertaking its activity.

However, to the extent that the Franchisee's Facilities are completed and installed before another utility or other franchisee's submittal of a permit for new or additional structures, equipment, appurtenances or tangible property, then the Franchisee's Facilities will have priority. These rules governing preference will continue when relocating or changing the grade of any City road or public way. A relocating utility or franchisee will not cause the relocation of another utility or franchisee that otherwise would not require relocation. This Section will not apply to any City facilities or utilities that may in the future require the relocation of Franchisee's Facilities. Such relocations will be governed by Section 10 and Chapter 35.99 RCW.

Section 12. Undergrounding

A. The parties agree that this Franchise does not limit the City's authority under federal law, state law, or local ordinance, to require the undergrounding of utilities.

B. Whenever the City requires the undergrounding of aerial utilities in the Franchise Area, the Franchisee will underground the Franchisee's Facilities in the manner specified by the City Engineer at no expense or liability to the City, except as may be required by Chapter 35.99 RCW. Where other utilities are present and involved in the undergrounding project, Franchisee will only be required to pay its fair share of common costs borne by all utilities, in addition to the costs specifically attributable to the undergrounding of Franchisee's Facilities. Common costs will include necessary costs for common trenching and utility vaults. Fair share will be determined in comparison to the total number and size of all other utility facilities being undergrounded.

Section 13. Franchisee Information

A. Franchisee agrees to supply, at no cost to the City, any information reasonably requested by the City to coordinate municipal functions with Franchisee's activities and fulfill any municipal obligations under state law. Said information will include, at a minimum, as-built drawings of Franchisee's Facilities, installation inventory, and maps and plans showing the location of existing or planned facilities within the City. Said information may be requested either in hard copy or electronic format, compatible with the City's data base system, including the City's Geographic Information System (GIS) data base. Franchisee will keep the City informed of its long-range plans, to the extent such plans have been made public, for coordination with the City's long-range plans.

B. The parties understand that Chapter 42.56 RCW and other applicable law may require public disclosure of information given to the City.

Section 14. Indemnification and Hold Harmless

A. Franchisee shall defend, indemnify, and hold harmless the City, its officers, officials, employees and volunteers from and against any and all claims, suits, actions, or liabilities for injury or death of any person, or for loss or damage to property, which arises out of Franchisee's acts, errors or omissions, or from the conduct of Franchisee's business, or from any activity, work or thing done, permitted, or suffered by Franchisee arising from or in connection with this Franchise Agreement, except only such injury or damage as shall have been occasioned by the sole negligence or willful misconduct of the City, its officers, officials, employees, agents, volunteers or invitees.

However, should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Franchisee and the City, its officers, officials, employees, agents, and volunteers, the Franchisee's liability hereunder shall be only to the extent of the Franchisee's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Franchisee's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

B. The Franchisee will hold the City harmless from any liability arising out of or in connection with any damage or loss to the Franchisee's Facilities caused by maintenance and/or construction work performed by, or on behalf of, the City within the Franchise Area or any other City road, public way, or other property, except to the extent any such damage or loss is directly caused by the

negligence or willful misconduct of the City, or its employees or agent performing such work.

C. The Franchisee acknowledges that neither the City nor any other public agency with responsibility for firefighting, emergency rescue, public safety or similar duties within the City has the capability to provide trench, close trench or confined space rescue. The Franchisee, and its agents, assigns, successors, or contractors, will make such arrangements as Franchisee deems fit for the provision of such services. The Franchisee will hold the City harmless from any liability arising out of or in connection with any damage or loss to the Franchisee for the City's failure or inability to provide such services, and, pursuant to the terms of Section 14(A), the Franchisee will indemnify the City against any and all third-party costs, claims, injuries, damages, losses, suits, or liabilities based on the City's failure or inability to provide such services.
